

Yarn Cats Sign-Out Agreement

Terms of use:

All yarn is purchased through club funding obtained through the Office of Student Engagement and is to be used for the sole purpose of knitting/crocheting service items for the Yarn Cats partner organizations.

There is no limit to how many balls of yarn may be checked out by an individual during a semester. However, one project must be completed and returned before yarn for another project may be signed out.

All completed items must be returned by finals week of the semester in which the yarn was signed out. If an item cannot be completed, the WIP will be returned and stored by Yarn Cats until the next semester.

I, _____, have read and understood the above terms of use and agree to abide by them.
